September 15, 2019

Mrs. Claire Taylor
Director, Human Resources
Content Developers, Inc.
5555 No Name Street
Colorado Springs, Colorado 80918

Dear Mrs. Taylor,

Enclosed is my resume for your consideration of the SEO Specialist (Job# 1234) position located in Colorado Springs. As you may recall, we spoke briefly at the October 2019 Career and Graduate Fair at the University of Colorado Colorado Springs (UCCS) about this position and you suggested I apply.

As I mentioned at the career fair, I am currently working towards a Bachelor of Arts degree in Communication with a minor in business and am very interested in this part-time position. I believe my current studies, coupled with my previous internship experience have prepared me with a well-rounded education and job ready skills that would be a good fit for this position.

To your company, I can bring expertise in Google Drive products, Google Analytics and a strong foundation in Wordpress knowledge. Additionally, I am well-versed in using SEMrush and other similar analytical tools. In a past internship experience, I supervised three hourly employees and successfully helped to optimize content across multiple websites for republishing in order to obtain the best SEO results possible and increase traffic to websites. I also proposed, drafted and pitched a highly effective communication strategy plan that was implemented by the employer with excellent results.

Content Developers, Inc. embodies the values, opportunities for growth, and appreciation of diversity that I seek in my future employer. My dedication and desire to learn and succeed are qualities that I believe would make me a match for the position of SEO Specialist.

Thank you for your consideration. I look forward to discussing my experiences and qualifications with you soon.

Sincerely,

Clyde Mountain-Lion
